 - 1.1. Plixxent: the Plixxent entity with whom Contractor enters into a purchasing or services agreement.
 - 1.2. Contractor: the contractor with whom Plixxent enters into a purchasing or services agreement.
- 2. Scope**
 - 2.1. The present General Conditions of Purchase shall be an integral part of the purchase or service agreement with Contractor. Conflicting or deviating conditions stipulated by Contractor or other reservations made by Contractor shall not be deemed accepted unless Plixxent has expressly accepted them in writing for a specific order.
 - 2.2. Other agreements, amendments or subsidiary agreements shall not be effective unless Plixxent has given its written consent thereto.
- 3. Order**
 - 3.1. Orders and alterations to orders shall be made in writing. In case of doubt, verbal agreements or arrangements discussed over the phone shall only be binding if confirmed in writing.
 - 3.2. Each order or alteration to an order shall only be effective if confirmed in writing by Contractor and Contractor shall treat each order or alteration separately in all correspondence.
 - 3.3. The following details shall be stated in all correspondence: the complete order number, the date of the order and Plixxent's reference.
- 4. Period for Delivery**
 - 4.1. The period for delivery shall run from the date of the order. If Contractor has reason to assume that it will not be able to meet, or meet in time, all or part of its contractual obligations, it shall inform Plixxent thereof immediately, stating the reasons and the likely duration of the delay. If Contractor fails to do this, it shall not be entitled to waive its liability for the delay on the grounds of the hindrance.
 - 4.2. Should Contractor fail to effect delivery within the agreed period, it shall be liable for such failure. Upon expiry of the agreed term of delivery the Contractor will automatically be in default, without any formality being due in this respect. In such event Plixxent is entitled to consider the order as being null and void without any indemnification or compensation due by Plixxent and to order the non-delivered items or services elsewhere, subject to notification of Contractor by registered letter, such without prejudice to Plixxent's rights to claim compensation.
- 5. Warranty, Liability and Notification of Defects**
 - 5.1. The Contractor warrants that its goods and/or services will be free from defects which may reduce their value or affect their usability, will possess the agreed or guaranteed properties, will be suitable for the purpose stipulated in the order, will be in conformity with the generally accepted technical practice, and will conform to the most recent rules and regulations in accordance with the laws of the Netherlands and the appropriate safety specifications and rules for the protection of workers and prevention of accidents. Should the delivered goods or services fail to meet any or all of these requirements, Plixxent shall be free, at the expense of Contractor, to demand a remedy of the defect or the supply of defect-free goods, to cancel the contract or reduce the purchase or service price under the existing legal provisions, or to demand compensation or reimbursement for needless expenditure.
 If Contractor has undertaken to guarantee the properties or durability of the goods supplied, Plixxent can in addition lodge a claim under the terms of the guarantee. This shall not apply to defects or damage caused by normal wear and tear
 - a) inappropriate handling by Plixxent.
 - b) Plixxent shall notify Contractor of any defects in the delivered goods as soon as they are discovered in the regular course of business.
 - 5.2. Unless expressly agreed otherwise, the statutory warranty periods shall apply. 5.3. Contractor's warranty shall also cover any items manufactured by subcontractors.
 - 5.4. If Contractor is notified of a defect, the limitation period shall be extended by the time which elapses between such notification and the repair of the defect. If the item supplied by Contractor is replaced in whole by a new one, the limitation period shall begin anew; if the item is replaced in part, the warranty period shall begin anew for the new parts.
 - 5.5. Goods which are subject to complaint under the warranty shall remain at Plixxent's disposal until replacements have been supplied, whereupon they shall become the property of Contractor.
 - 5.6. In urgent cases, or if Contractor defaults or fails in repairing a defect, Plixxent may eliminate the defect itself at Contractor's expense or avail itself of any of the other warranty rights mentioned in section 5.1.
 - 5.7. Acceptance of Contractor's supplies of goods or performance of services by Plixxent shall not affect Contractor's obligations under the warranty.
 - 5.8. Contractor shall hold Plixxent harmless from any product liability claims or claims raised under the applicable laws relating to product liability if the defect giving rise to the claim has been caused by Contractor or any of Contractor's suppliers.
 - 5.9. Notwithstanding these provisions Contractor shall remain liable under the existing legal provisions.
- 6. Tests**
 - 6.1. If tests are specified for the goods or services to be supplied, Contractor shall bear the costs of such tests, including its own personnel costs, but excluding Plixxent's personnel costs.
 - 6.2. Contractor shall inform Plixxent not less than one week in advance of the date on which the goods or services will be ready for testing and shall agree with him a date for the tests. If the goods or services are not presented for testing on this date, Plixxent's personnel costs shall be borne by Contractor.
 - 6.3. If any defects are found in the goods or services which make it necessary to repeat the tests or conduct further tests, Contractor shall pay all the personnel costs and other costs entailed. Contractor shall also pay all the personnel costs and other costs incurred in connection with testing the materials used by him in executing the order.
- 7. Insurance**
 - 7.1. Transport insurance shall in all cases be Contractor's responsibility and at Contractor's expense.
 - 7.2. Contractor shall take out at its own expense adequate third party liability insurance to cover damage resulting from services rendered by or goods delivered by or property belonging to him, its personnel, or third parties commissioned by him. Contractor shall, if so requested, submit to Plixxent documents showing the sums insured per occurrence.
 - 7.3. The procurement of special assembly/erection insurance in addition to the third party liability insurance mentioned in section 7.2 shall in each case be subject to written agreement between Plixxent and Contractor.
 - 7.4. Any machines, apparatus, etc. supplied to Plixxent on loan will be insured by Plixxent against the usual risks. Any further liability of Plixxent for destruction of such machines, apparatus, etc., or damage thereto, shall be excluded, unless it has

been caused willfully or through gross negligence.

 - 8.3. Contractor shall be liable for any damage caused by non-compliance with these provisions and shall pay any costs incurred thereby. He shall also be responsible for ensuring that these shipping requirements are complied with by subcontractors.
 - 8.4. Any consignments of which Plixxent is unable to take delivery because of non-compliance with these provisions shall be stored at Contractor's expense and risk. Plixxent shall have the right to verify the contents and condition of such consignments. Tools and erecting equipment shall not be loaded together with goods. 8.5. The goods shall be delivered DDP (ICC Incoterms 2010) to the place specified by Plixxent, unless otherwise stipulated in the applicable purchase order.
