

FINANCE PROFESSIONAL (M/W/D)

Working at PLIXXENT B.V. (Foxhol, Groningen) means having the freedom to express your own ideas, to develop yourself and to take and receive responsibility. As a Finance Professional you are managing the finances and the associated processes on a daily basis. You ensure that finance processes are set up effectively and efficiently.

WHAT WILL YOU DO?

You will be working at **our location in Foxhol, Groningen**. Together with the employees of the Finance department, you will work on ensuring and improving the month-end reporting process according to local GAAP and IFRS standards in the Netherlands.

You will also have the following responsibilities:

- Ensuring the completion of the annual and monthly reporting in accordance with the Group's IFRS accounting guidelines and local GAAP.
- Identify and record transactions beyond the end of the month.
- Analyze the reported balance sheet and income statement.
- Review of the reporting process.
- Responsible for all audit related issues for PLIXXENT B.V. and Holding B.V. according to local GAAP and IFRS.
- Perform analysis of latest forecasts against actual entries and comment on key movements in the financial statements for the assigned areas of responsibility.
- Early identification of issues such as cost overruns, excessive costs, and potential penalties to minimize impact.
- Ensuring tax compliant reporting in the Netherlands.
- Supporting the set-up of Netherlands Holding in financial systems.
- Supporting learning and development of more junior staff, sharing knowledge, and being available to mentor on a daily basis.

WHAT ARE WE LOOKING FOR?

- Degree in Accounting or Finance with relevant additional professional qualifications as accountant (with expertise in local GAAP and IFRS).
- Several years' experience with local GAAP in the Netherlands (including leading internally audit process with external auditors); prior work within an audit firm is a plus (not a must have).
- IFRS knowledge (including bridging local GAAP to IFRS standards).
- SAP FI/CO knowledge.
- Understanding of tax matters in the Netherlands.
- Experience in the production sector with international/cross-border business transactions.
- Conceptual, tactical, and strategic thinking with problem solving capabilities.
- Strong team player with hands-on mentality and good communication skills.
- Dutch and English communication in word and writing.
